

Summerfield at Meadow Woods

APRIL 2018 NEWSLETTER

Window and Door Replacement Options

Several residents have inquired about replacing their windows and doors. At the last Board of Directors meeting, the Board members approved new window and door options for residents to choose from for any proposed replacements. If you would like to replace your windows and/or doors, please contact the management company to obtain the new approved list. You should then fill out and return an Architectural Review Board application for the Board's review and approval. You may find the Architectural Review Board application with this newsletter (see below) and on the community website:

www.summerfieldatmeadowwoods.com. If you have any questions or concerns, please feel free to contact the management office.

Parking at the Entrance

Now that the towing company is removing vehicles from the community without the proper parking permits, several residents are parking their extra vehicles along the entrance to the community on Stonebrook Place. This is causing some safety concerns as people enter and exit the community.

Since Stonebrook Place is a County road, we asked the County to place "No Parking" signs along this street to eliminate the safety concerns. Unfortunately, the County does not believe that the safety concerns are significant enough to warrant the use of "No Parking" signs.

We are asking our residents to contact the County to voice your concerns. We are hoping that they will reconsider our request once enough residents describe the safety issues along this road.

Please contact Hector Bertran, Orange County Traffic Engineer, by phone at 407-836-7763 or 321-354-5490 or by email at hector.bertran@ocfl.net.

Please direct all concerns to the management company. For ARB requests, please go to the Association's website, www.summerfieldatmeadowwoods.com. Click on "Resident Services" then "Online Forms." Fill out and submit the form prior to making any exterior modifications to your home.

Master Policy Insurance Information

If your mortgage lender requires information regarding the Association's master insurance policy, please refer them to our insurance company, Academy Insurance Agency. Your lender may reach Academy by phone at 941-758-4600, by fax at 941-751-9232, or by email at w.mahler@academyins.net.

Please be advised that the master insurance policy **does not cover** the inside of your unit. You should carry insurance to cover all items not covered by the master insurance policy. Please contact Academy Insurance Agency if you have any questions about what the master insurance policy covers for the community.

Parking Permits and Regulations

If your vehicle does not have a proper parking permit for our community, you run the risk of your car being towed. Starting on August 1, 2017, all vehicles without a proper parking permit or a visitor's pass are to be towed **without warning** from the parking lots **at the owner's expense**.

Per the rules of your community, there are only two (2) parking spots per unit. Visitors are to use the designated spaces provided at all times of the day and they **MUST** place a visitor's pass on the rearview mirror when visiting from 12 AM – 6 AM. **Residents should park in resident spaces only.** We ask that you use the spaces that are numbered with your unit's address that are located directly in front of your unit. However, residents may NOT park in visitor's spaces. **Residents who park in visitor's spaces are subject to towing.**

If you have more than two cars, you may find additional parking by asking one of your neighbors if they have another parking spot available. Some owners only have one car and they may "donate" a spot to you. These owners are under no obligation to do so. If an owner would like to donate one of their parking spaces to you, we must have their permission in writing. Please contact our office if you need more information. Please be aware that if you do not find another owner to donate a parking spot to you, you must remove the vehicle from the community's parking lot or be subject to towing.

All owners who rent their units must inform their tenants of the requirement to have these parking permits **BEFORE** the tenants move into the unit. Also, if you purchase a new vehicle, please use your visitor's pass temporarily until you can make arrangements with the management company to obtain a new parking permit.

Please remember that it is your responsibility to obtain the proper permits for your vehicles. This provides a protection for all homeowners and tenants. We want to keep our parking lots available for only those vehicles that are authorized.

If you need a parking permit, you may obtain the parking permits from our management office. The address is 1101 Miranda Lane, Suite 112, Kissimmee, FL 34741. You will need to bring your driver's license (for each vehicle), your vehicle registration (for each vehicle), and a copy of your lease if you are renting. Parking permits are always free.

In addition, please be aware that your car may also be towed if you do not follow the parking regulations. **The towing company will be patrolling the parking lots looking for the following types of vehicles in violation of the parking regulations:**

- All commercial vehicles (this includes cars/trucks with ladder racks, pipe racks, magnetic signs or lettering in the windows) (usually from 7 pm to 6 am, unless there is an emergency, i.e., you called a plumber at 3 am for a water leak.)
- Vehicles that do not have the proper parking permits. (This includes cars using inactive parking permits - permits that have been designated as inactive since they belong to a previous resident or a car that was sold by a current resident) (from midnight until 6 am)
- Boats, or any other recreational vehicles (24 hours a day, 7 days a week)
- Trailers (24 hours a day, 7 days a week)
- Vehicles without license plates or with expired license plates (24 hours a day, 7 days a week)
- Vehicles that are parked on the grass (24 hours a day, 7 days a week)

- Vehicles that are double parked (parked behind cars which are parked in parking spaces or cars parked in more than one parking space) (24 hours a day, 7 days a week)
- Vehicles parked in front of and/or blocking fire hydrants (24 hours a day, 7 days a week)
- Clearly disabled and inoperable vehicles that have not moved for 72 hours or more (24 hours a day, 7 days a week)

Finally, if your vehicle or a vehicle of a guest is towed due to a violation of the parking rules and regulations, you should **contact the towing company to resolve the situation**. The Board has not authorized the management company to make ANY exceptions to the parking rules and regulations, and management plays no part in the towing of any vehicles. If you do not have a parking permit or visitor's pass or if you violate any other parking rules, you will be towed **at your own expense** and **will not be reimbursed for any reason**. The towing company's contact information is as follows: Universal Towing and Recovery, 407-816-0102.

Pool Rules

Please be advised that the pool closes at sundown every day. No unauthorized people may enter the pool after this time. Many people ask why the Association has chosen to close the pool at sundown. The answer is simple. **We did NOT choose this time**. The State of Florida decided this for us! ***Since there is not enough light per State guidelines, we must close the pool when the sun goes down.***

Next, there is a list of pool rules located in the pool area. Please take a minute and review these rules. One of the most important rules is the age limit for use. If you are under the age limit, ***you may NOT use the pool without a parent or guardian being present.*** Accidental drowning in a swimming pool is a leading cause of death in Florida for children. Please be advised there are no lifeguards at the pool, and the maintenance personnel are **not** trained in CPR or pool safety. Failure to comply with the Pool Rules may also result in you being asked to leave the area. Thank you for your cooperation with this matter. If you have any additional concerns or questions regarding this issue, please contact the management office.

Orange County Off-Duty Sheriff's Deputy Patrols

An off-duty Orange County Sheriff's Deputy is patrolling our community several days per month. The deputy is on patrol to spot suspicious activity, to help enforce traffic laws, and to help the people in the community. If you see the deputy on patrol, and you have noticed any suspicious activity, please stop the deputy and talk with him.

Please be aware that the deputy is only able to enforce state law and county ordinances. If you see a community violation (i.e., parking on the grass, people with water balloons in the pool area, etc.), please call DWD Professional Management for assistance.

Businesses Not Permitted

The Board of Directors wants to inform the community that, per the Covenants, no businesses are allowed to operate in the community. Article VI Section 1.A. clearly states in part that all property designated as a Living Unit shall be used, improved and devoted exclusively to residential use. No business, profession or trade of any type shall be conducted on any portion of the property in Summerfield.

Please be aware of this limitation, as well as Orange County's enforcement of any Code or Zoning violations stemming from any violations concerning their ordinances regarding businesses in residential communities. Also, please note that Orange County has strict guidelines on renting of properties. Short term rentals, such as Air BnB rentals, are only allowed in Zoning Code R3. Summerfield is Zoning Code PD. Therefore, short term rentals are not allowed in Summerfield. Finally, please remove all signs, and lettering from your unit windows. Thank you all for your cooperation with this matter.

Please Pick-up After Your Pets

We understand that many of the residents in our community are pet owners. Owning a pet is a wonderful experience for the “parent” and it brings many joys to you as well. However, having a 4-legged addition to your family also brings many responsibilities.

If your new bundle of joy happens to be a dog, then one of the responsibilities is picking up after your pet. When you live in a community you cannot just let your dog out and then close the door. Your pet must be on a leash at all times, and any pet waste **MUST** be picked up and disposed in a waste receptacle. This is not only a community rule; it is an Orange County ordinance as well.

The Association has installed several doggy stations throughout the community for your convenience. Please use these receptacles to dispose of any dog waste. Dog waste is a hazardous substance and causes damage to grass and may spread illnesses to others. Thank you for your understanding and cooperation in this matter.
